E Safety Talk - Thursday 19th May

We would urge as many parents as possible to attend when Karl Hopwood, an expert on e-safety and a member of the UK Council for Child Internet Safety, visits Yateley Manor. E-Safety, using information and communication technologies in a safe and responsible way, and safeguarding children in a digital world, are of great concern to parents. Use of social networking and smart phones, even by children who are quite young, mean that this is a rapidly growing problem. Karl will give two, one hour talks at 3.30pm and at 4.45pm. If you would like to attend, and have not already registered your interest, please email Penny Charles on office@yateleymanor.com. Staff will also be attending as part of their continuous professional development.

Wellington College 'Number Detectives'

On Thursday afternoon **Harry Grieve, David Hilditch, Harvey Marchant and Matthew Rudd** represented Yateley Manor at Wellington College's Year 5 Mathematics Afternoon. Each of the forty two schools attending took a team of four. Working in pairs, the teams faced eight different

mathematical tasks gaining investigative points as they went along. Eight minutes were allowed for each round and when the 30-second countdown music started the pressure was really on the contestants.

At the end of the afternoon, when all of the points were tallied, **Harvey and Matthew** finished a very impressive seventh out of the eighty four teams. **Harry and David** did very well too, reaching twelfth place. The aggregate score of the team was amongst the stronger performances on the day, so very well done to all four boys.

Wednesday Sailing Option

Sixteen intrepid sailors enjoy Wednesday afternoons at Horseshoe Lake taking part in the Sailing Option.

Rounders v Edgeborough

U13 lost 5 - 13

Despite losing two batters in the first two balls, the girls settled to their task. **Maisie Hargreaves** scored a first half rounder followed by **Maddie Geeves** and **Lucy Webb**. Edgeborough had a strong combination of bowler, backstop, first and second post who dominated the fielding making it hard to score. **Maisie Hargreaves**, **Amisha Singh** and **Emma Turrell** worked hard to increase our score and stayed in to the end of the innings. Both **Maisie** and **Amisha** scored one and a half rounders. In the field the girls put up a good performance with steady play from **Maddie Geeves** as backstop, sure hands from **Emily Good** at second post and steady bowling from **Bethany Likely** plus two fine catches from **Emily Simpson** but some inaccurate fielding gave rounders away. We needed to score well in the second innings and although **Emma Turrell** and **Kate Peden** made half rounders we found it so hard to penetrate the Edgeborough ring of four. Edgeborough batted with confidence and increased their score despite some fine fielding. **Kate Peden** made two stumpings and one catch and **Emma Turrell** took a catch and made three stumpings. **Emily Good** was named fielder of the match and **Emma Turrell** batter of the match. SC Team: **Bethany Likely, Maddie Geeves, Emma Turrell, Lucy Webb, Maisie Hargreaves, Emily Good, Amisha Singh, Amy Churchlow, Kate Peden, Emily Simpson**

U11A won 23½ - 3½

What a commanding performance from our girls. Edgeborough are not our strongest opposition, but it was our team thinking that helped us ease to such a comfortable victory. We were put in to bat first, played maturely and secured a first innings lead of 11½ - 3½. Although we were confident, Edgeborough had some excellent hitters and a realistic chance of chasing us down. With some adjustments to our fielding, we ensured Edgeborough didn't score at all in their second innings, while we added 8 full rounders. The bowling on both sides should be congratulated as no score was awarded to either team for poor deliveries throughout the match. We played intelligently while batting and when fielding the tactics we talked about last week and in lessons were used successfully. There was a great team spirit and nine players scored full rounders! A fantastic performance! RB Team (full rounders): **Jessica Minshull-Beech (4), Elysia Geeves (2), Ella Hopwood (2), Ellie-Rose Matthews (1), Lilly Hennah (1), Eve Winter, Rebecca Washer (1), Izzy Heath (1), Issy Fraser Hardie (2), Emma Smart (2).**

U10A lost 14 - 17

We were really unlucky not to win this game. In the first innings we stumped out three of the opposition's players and finished level at 7½ rounders all. In the second innings we took out five Edgeborough girls out through stumpings and catching but unfortunately lost our own top three batters to catches. The girls did not let this deter them and they gave their all to try to catch up. Unlucky girls! **Elena Barkatullah** was named batter of the match and **Isabella Bretherton** fielder of the match. JC

Team (full rounders): **Isabella Bretherton (3), Elena Barkatullah (1), Deena Shawkat, Samantha Perryman, Chloe Wells, Catherine Lee, Libby Dyke, Lottie Washer (1), Issy Cole, Philippa Varcoe**

U9A lost 9½ - 14

Yateley Manor were first to bat and took a while to warm up. In the first innings **Sophie Gibson** scored a full rounder and four half rounders were scored by other members of the team. When we fielded we were able to stop the ball well but often were unsure of who to throw it to, resulting in Edgeborough scoring several rounders. After a brief team talk at half time about fielding, the girls went out with more motivation. Our batting improved and we scored seven half rounders and **Phoebe Moore**, following a strong hit, scored a full rounder. The fielding in the second half was much better, with the girls getting a number of the players out. The team needs to think about backing each other up when they are fielding and who the ball should be thrown to. A good match girls. NOT

Team: **Phoebe Moore, Lily Hayes (player of match), Isabella Harper, Ella Haffey, Sophie Gibson, Isabella Marino, Shika Desai, Abi Heppner, Yasmine Bowman, Sohini Long**

Rounders v The Abbey

U8A Coaching Session won 8½ - 7½

The girls were very excited to be playing another match. The Abbey elected to put us in to bat first. We were a little slow getting started and only managed to score three rounders in the first innings. The Abbey girls fielded well and we had to be quick getting to the posts. As this was a coaching game, no one was out, but the rules were explained, so the girls could learn from their mistakes, giving them the chance to improve throughout the game. The Abbey batted very well and scored 5½ rounders. Yateley Manor played much better in the second innings and notched up another 5½ rounders to The Abbey's two rounders. Securing Yateley Manor a slim victory of 8½ - 7½ rounders. Well done girls! **Gemma Lane** was named player of the match. LM

Team (full rounders): **Sarina Bremner, Gemma Lane, Sophie Allison, Emma Hopper, Pippa Arris (1), Iona Maciver, Anna Ball, Charlotte Mooney (1)**

U8B lost 11 - 11½

For many of the girls this was their first ever rounders match so the nerves were high. The girls rose to the challenge and in the first innings **Erin Gauntlett** and **Eloise Ridgwell** both scored fantastic rounders. In field, we kept it tight and tried to limit the opposition's chances of scoring. **Eloise Ridgwell, Maddie Dawson** and **Lucy Tickle** all demonstrated some good fielding, making some promising throws to the posts and bowler. In the second innings, performance had improved, the girls showed more understanding of the game and (continued on page 8)

Cricket v St Neot's

U13 won by 62 runs

Yateley Manor won the toss and elected to bat first. **Harry Came** and **George Nye** batted well earning the two best scores of the day, 36 and 18 respectively. Our middle order batsmen struggled to get going and St Neot's picked up some quick wickets. Yateley Manor finished with 120 from our 25 overs.

Duncan Ashworth and **George Nye** opened the bowling in style with **Duncan** taking four wickets for three overs. **George** bowled very tidily and picked up two wickets from three overs. With some excellent fielding on display from Yateley Manor, St Neot's were bowled out for 58. Well done boys, a convincing victory. TM

Team: **George Nye, Harry Came, Jared Moore, Duncan Ashworth, Oliver Gerrard, Jamie Hilditch, Ieuan Martin, William Langdon, Charles Marshall-Stochmal, Blake Major, Alex Groom**

U12 won by 48 runs (County Cup Match)

Yateley Manor batted first and made a magnificent 167 for one in 20 overs. **Edward Martin** made 36 not out, **Jordan Spooner** 40 and captain **Chris Searle** 54.

In reply St Neot's scored 119 in their 20 overs and were restricted by tight bowling and good fielding. KC

Team: **Edward Morrison, Edward Martin, Oliver Blease, Joe Tucker, Sebastian Francis, Chris Searle, Liam Ross-McDonnell, Sebastian Waddington, Harry Yates, Jordan Spooner, Jordan Whiteley**

U11A won by 4 runs

This was a really exciting match which went down to the last ball before we claimed victory. We batted first and found it tough as St Neot's bowled well and we were hesitant taking runs. We scored 102 for 9 from our 20 overs with **Harry McLachlan** (16 not out), **Will Dexter** (15), **Matthew McLachlan** (10) and **Thomas Coates** (7) the top scorers. Our bowling and fielding had to be tight to defend that total. St Neot's batted well and defended all our straight balls. We only took one wicket but they were never ahead of the required run rate. Superb bowling at the death by **Matthew Gibson** and **Matthew McLachlan** meant St Neot's were unable to score enough and they needed 10 from the last over. We restricted them to 6 giving us victory by 4 runs. Great effort boys. PD

Team: **Thomas Kirkpatrick, Will Dexter, Ben Simmons, Matthew Hills, Harry McLachlan, Matthew McLachlan, Benjamin Thomas, Elliott Walker, Thomas Coates, Ben Martin, Matthew Gibson**

U11B won by 10 runs

We lost the toss and were put in to bat. After a good steady platform set by **Harry Miller** and **Matthew Murphy**, the scoring began to pick up pace and Yateley Manor set a total of 93 on what wasn't an easy scoring pitch. **Adam Hendries** put in a man of a match performance taking four wickets including a brilliant delivery on the first ball of St Neot's innings, which took the bails off the stumps. This took a bit of pressure off the other bowlers. In the middle section of the match, St Neot's looked the dominant side and appeared to be steaming towards victory, but the Yateley Manor boys fought back to win the game. St Neot's finished their 20 overs on 83 runs for eight wickets. AW

Team; **Harry Millar, Matthew Murphy, Alex Leach, Oliver Lowthian, Michael Atkinson, Matthew Jones, Adam Hendries, Alex Buckingham, Patrick Ellis, Alex Thomas, Arsen Ismagilov**

U10A won by 75 runs

A great opening partnership from **Matthew Rudd** and **Jamie Blackburn** gave Yateley Manor the platform for a large total. **Jamie** was first to go for a fine 31 and **Matthew** went on to score an impressive 50 not out. Yateley Manor finished with 130 from their 20 overs.

Yateley used nine bowlers and everyone chipped in. **Freddie Guy** bowled very well as did **Sanjay Arulchelvam**. St Neot's were bowled out for 55. **Matthew Rudd** was named man of the match. DL

Team: **Matthew Rudd, Jamie Blackburn, Ollie Waddington, David Hilditch, Sanjay Arulchelvam, Freddie Guy, Louis Sims, Alex Ball, Leddy Al-Khlaf, Jayden Cox, Luke Allison**

Rounders v The Abbey (continued from page 7)

grew in confidence. The final score was incredibly close, with the Abbey only winning by half a rounder, 11 to 11½. A fantastic start to the season girls, keep it up! **Eloise Ridgwell** was named player of the match. AH

Team (full rounders): **Erin Gauntlett (1), Lizzie Roughton, Hannah Butcher, Rachel Whiteley, Jessica Sheffield (2), Lucy Tickle, Eloise Ridgwell (2), Maddie Dawson**

U8C won 5 - 4

A very excited U8C opted to field first. **Serena Lu** demonstrated some good steady bowling and **Sophia Walker** remained alert as backstop. **Anna Sloan** guarded her post well and was quick to throw the ball back to the bowler. We must remember to concentrate really hard when fielding in case the ball happens to come our way! After 16 good balls the girls swapped over and the girls took their turn at batting. Half rounders were scored from the Abbey throwing numerous no balls. **Katie Martin** managed to run all the way round scoring a full rounder for the team. Another point to remember when we are running on a good ball, is to run from post to post along the marked pitch and not around the fielders. The girls have been learning the rules of rounders in their games lessons and with more practice they can improve even more on what was a good effort today. Well done girls! DH

Team: **Sophia Walker, Serena Lu, Anna Sloan, Gemma Thompson, Katie Martin, Francesca Oades, Emily Squibbs**
