

Cycle of Reports and Parents' Evenings for the year

Below is a chart of the annual pattern of reporting to parents. You will be able to meet teachers every term if you wish and we are shifting the emphasis to more oral consultation with parents and away from the one way written report although there will still be the end of year full report. We hope you like the new pattern and find it far more useful. We will be asking you what you think mid-way through the school year. Key to the chart below is:

- Parent and teacher meetings are in ordinary print.
- Optional parent tutor meetings—parent invited by tutor if cause for concern, plus parents given the option of coming if they want.
- Written reports are in heavy print.
- Examination report is a single page of A4 containing exam results and a single comment from each tutor of examined subjects.
- Reports build cumulatively throughout the year so that the End of Year Report includes previous Examination and Progress reports.

	Autumn Term	Spring Term	Summer Term
Nursery	Welcome evening Optional parent tutor	Parents' evening Optional parent tutor	End of year report Optional parent tutor Introductory meeting for new parents
Reception	Welcome evening Early Years report and consultation (Oct)	Optional parent tutor	Early Years report and consultation (June) Introductory meeting for next year's parents
