## Have a Wonderful Summer

We wish all our pupils, staff and their families a wonderful summer break. Pupils return on Monday 5th September.

## Leavers

Our best wishes to all the children who have left us to relocate or to start at their new senior schools

## Isla's Pfizer National Superbugs Success

Each year Pfizer runs its nationwide "Superbugs: Join the Fight" competition and asks children to help them tell the world about superbugs, vaccines or viruses. We were delighted to hear that **Isla Gillett's** entry was chosen as the runner up for her age group nationally. This is a huge achievement and we are delighted for **Isla** and proud of her success. She was awarded a certificate and wooden trophy. Many congratulations **Isla**.

## Speech Day

What a wonderful way to mark the end of a fantastic school year. The School Community of children, staff and parents enjoyed a wonderful outdoor Speech Day celebrating successes, looking back at events over the year and listening to some great music.

Many congratulations to the children who won awards and thank you to everyone who joined us to celebrate a really successful and happy year.

## National Athletic Final Successes

Yateley Manor was represented by four athletes at the National Athletics Finals held at the Pingles Stadium: **Hope Horne** (U14 Javelin), **Michelle Adeola** and **Charlie Everest** (U12 100m) and **Matilda Upfold** (U12 Javelin). All four qualified following superb performances at Senior Wessex.

**Hope** competed first up and opened with a very good throw of 21.38m. This turned out to be her best throw and earned her seventh place in a very strong competition. A great achievement.

**Michelle** and **Charlie** finished second and third respectively in their heats which qualified both for the finals. **Michelle's** excellent time of 14.07 seconds was close to her own school record and **Charlie** ran a super-fast new PB of 13.89 seconds. Both finals were very close with less than a second separating first and eighth places. **Charlie** ran a great race and finished in an excellent seventh place. **Michelle** had a much better start in the final and ran brilliantly to take the bronze medal, a superb performance.

**Matilda** was the last Yateley Manor athlete to compete and she threw consistently over all four rounds. Her best throw of 16.74m gave her eighth place overall. Another great result.

Many congratulations to all four athletes on tremendous results.

## Gum Shields for Children in Years 3 to 8

A reminder that all Yateley Manor children in Years 3 upwards must wear a mouth guard/gum shield for playing hockey and rugby.

Boil and fit gum shields are available from sports shops and the School Shop.

Some parents prefer to purchase gum shields which are professionally fitted and offer a greater level of protection (not recommended for children in Years 3 and 4 because their teeth change so quickly) and these can be organised through your dentist.

Girls in Year 3 upwards will need gum shields from the start of the Autumn term whilst the boys in Year 3 upwards will need them from November.

Please note that children without a mouth guard will not be able to represent the school in rugby or hockey teams and will only have limited access to elements of training sessions.

## Whole School Photo

Orders of the whole school photo which were placed before Thursday 7th July have now arrived at school and are available for collection. Please note that during the holidays School Reception is only open between 9.00am and 12.00 noon.
