## Car Park Request

We would be very grateful if parents would not leave the engines of their cars running on idle while they wait for collection time or for the traffic to clear.

This is for health reasons for the children and the whole school community.

## School Uniform

Parents are reminded to make sure that all items of school uniform and school equipment are clearly named.

This makes it much easier to reunite children with their lost items. Thank you.

## Why Do We Do It?

Rob Upton's latest blog can be found on the School website. The following is a taster:

It is a profound question but, why do we do what we do at Yateley Manor? What are we trying to achieve? As a school we are focused on preparing children for successful adult lives. Children have a future full of challenges and opportunities ahead of them. So why do we do what we do and how does it help?

## Year 7 to Centre of the Cell

Year 7 had a fantastic time on their trip to Centre of the Cell in Whitechapel, London. They were treated to the 'CELLebration' show and walked inside a cell, complete with interactive nucleus! Here is an extract from **Thomas Whitmore's** write up about the trip:

We went on the train to London to learn about the cell. When we were in London and we got to our destination it was not as I expected, there was a big metal structure with metal rods coming out of it and two buildings beside it. When we were inside the building we were taken inside the weird structure and in there we were met by a lady and she talked to us about the different types of cells and what they do. We played a few games in there and overall it was fun. Then we ate lunch and went into a new room. (continued on page 4)

## Maths Workshop for Parents of Children in Years 3 & 4

The Maths Workshop for Parents of children in Years 3 and 4 will now take place, in person, on **Monday 7th February at 7.00pm**. The aim of this workshop is to discuss how best to support your child at home and suggest ideas for keeping Maths interesting and relevant to everyday life.

Please note that this workshop is limited to **one parent** per child and masks should be worn at all times. If you would like to attend the workshop please complete the [form that can be found here](#). An email will be sent home to parents with more information about the workshop.

## Congratulations to...

**Saina Patre (2GCH)** who took part in the Children's Race at the Farnborough Half Marathon.

## Half Term Holiday Clubs and Nursery Provision

[Bookings for February Half Term Holiday Club and Nursery Extended Provision are now open.](#)

Holiday care will run from Monday 14th February to Friday 18th February 2022. Bookings can be made for any combination of days. Clubs start at 8.30am and finish at 5.30pm. The latest time for pick up is 5.30pm after which staffing levels cannot be guaranteed

**The Holiday Club** is open to friends and family of Yateley Manor. Holiday Club activities will include playball on Tuesday 15th February and tennis on Thursday 17th February. Swimming will be available subject to lifeguard availability. Please note children should arrive before 9.30am and pick up is from 4.00pm

**The Extended Nursery Provision** is open to Yateley Manor current pupils only. Nursery children may be collected at any time. There is a limit of 4 places per day for Nursery two year olds.

All children will need to bring their own packed lunch, snacks and water all of which **must be nut free**. Could parents please ensure that lunches do not contain any food that has been made in a factory where products containing nuts are made. We continue to follow the Government's COVID-19 guidance and will adapt our internal processes as appropriate. In order to maintain our high standards of care and health and safety measures we ask that bookings are to be made by 5.00pm on the Thursday before the following week's club starts.

No entry will be possible without a prior booking.

## FYMS Corner

**The Yateley Manor Quiz Night** is back! Tables can now be booked online on the [FYMS Events website](#). You can book a table for £50 for up to six team members. Please be sure to have a team name at the ready as you will need to enter this when buying your table. From next week, we will also be offering the chance to order pizzas for delivery for the interval.

Tickets for the **Spring Term Discos** are also available to buy on the [events website](#). Please ensure you purchase tickets for the correct year group disco! You can also sign up online to volunteer to help supervise the children during the discos. We cannot put on these events without fellow parent helpers and it's only 90 minutes of your time that we are asking for.

The **FYMS Donation Box** is now in the main School Reception and we are accepting donations of brand new, unopened gifts, World Book Day costumes, Christmas decorations and Christmas Jumpers along with old red summer dresses and blue striped blouses. Please do not bring any Bags2School donations as we do not have the space to store this before the next collection. We are in the process of securing the next date so keep an eye on the [FYMS FaceBook](#) page for further details.

**World Book Day Costumes** will be available to buy online via the [FYMS website](#) from next week.

## Year 5 Curriculum Production

Please can all children make sure they have their stage blacks and costumes in school from Monday. Can they also ensure they have secured their lines and song-words. We look forward to seeing parents at the performances on Thursday and Friday.

## LAMDA

Due to commitments with the Year 5 Production there will be no LAMDA sessions next week, apart from the Wednesday early morning session and the Wednesday lunchtime session with the new Years 3 & 4 groups.

## Year 7 to Centre of the Cell (continued)

There was a corridor leading to a door and behind it was a glass bridge which goes across lots of laboratories and at the bottom were some desks with microscopes and there were a lot of scientists. Then we went into a room which was shaped like a cell and inside we played lots of different cell games where we learnt a lot about cells. We watched some videos about cells and after that we left to go back on the train to Yateley Manor.

## Woodwork Area Request

Tracey Hayter is planning to set up a new woodwork area and would be grateful for donations of spare pieces of wood of any shapes and sizes. Also, any corks, bottle tops, jar lids and old CDs. Please leave any donations in School Reception.

## This Week's Matches

### Junior Fixtures - Friday 21st January

**U9s v Eagle House :** The U9A played a well matched game. The first three quarters of the game the score line was very tight and going into the final quarter was only 2 - 1. A flurry of goals in the last quarter and some excellent netball from both teams saw the final score finish as a well deserved 6 - 6 draw. The U9B had a tougher game and despite trying their best lost 0 - 4. Very good effort girls.

**Under 8 Netball Festival:** Last Friday we hosted a mini-Netball Festival against Eagle House and Crosfields. The teams were split into two groups and played each other in a round robin format. Everyone had an exciting afternoon. In a festival, there are no winners. However, each coach picked the Most Valuable Player of their team. Well done **Megan Harding, Ellie Chapman, Jessica Green.**

### Swimming v St Neot's

**Yateley Manor A - 41 points    St Neot's A - 36 points**

**Yateley Manor B - 22 points    St. Neots B - 21 points**

The Year 3 and Year 4 Swimming team were full of enthusiasm and also a little nervous for their first gala of the year. The children all swam extremely well and worked very hard together during the relays. Well done to **Zariah Mockett, Leela Sachdev, Rose Symcox, Maisie Lee** and **Megan Harding** who all won their individual races. Also **Rose, Phoebe Pickup, Megan, Emily Wilson** and **Zariah** for winning the medley and freestyle relays. It was lovely to see such determination and enthusiasm from every swimmer.

### Rugby v Farleigh

**U13/U12 won 35 - 20:** This was a fantastic athletic team performance! The boys were dominant at the ruck, both in attack and defence and some excellent scramble defence kept them in front on the scoreboard. Scorers: **Liam van Heerden (3), Dexter Edwards, Toby Sherwin, Ben Cooper, Henry Huang.**

**U11 A lost 0 - 50:** Despite the score line, this was a game played in an excellent spirit and one that saw a huge improvement from the previous week. Unfortunately, due to illness and injury Yateley Manor had several players missing from the starting line-up. Our boys battled to the end and showed excellent character throughout.

**U11 B won 30 - 15:** This was a good performance once again from a side also struggling with injuries and illness. Yateley Manor started brightly and moved the ball around well. Some strong running enabled the team to be a threat from any part of the pitch. Well played.

### Wellington U11 Netball Festival

This was the first netball tournament/festival that the U11s have been able to play for quite some time. The girls played some excellent netball both in attack and defence and proved to be formidable opposition winning 4 of their games and only losing to Lambrook by one goal in their opening game. It was great preparation for the IAPS competition next week.

**lost v Lambrook 5 - 6**

**won v Newland House 6 - 2**

**won v Daneshill 8 - 0**

**won v Broomwood Hall 9 - 2**

**won v Eagle House 2 - 1**

### Netball v Daneshill

All our other teams played against Daneshill this week and there were some close battles. We finished the afternoon with 4 wins and 3 losses, with the pick of the wins coming from the seniors who won 14 - 6.

**U13A won 14 - 6**

**U13B won 7 - 3**

**U11B won 9 - 7**

**U11C lost 3 - 9**

**U10A won 10 - 7**

**U10B lost 4 - 8**

**U10C lost 2 - 4**

## Royal Academy of Arts Summer Show

The Royal Academy of Arts Young Artists Summer Show is an opportunity for children aged 4 to 19 to exhibit their work online and at the Royal Academy of Arts. This year children are invited to submit just one work of art for consideration. A panel of artists, art experts and curators will judge the works and selected artworks will be shown in an online exhibition and an exhibition at the Royal Academy. The artwork can be made using any material; it can be a painting, sculpture, photograph, installation, video, drawing, or a combination. There is no theme so artworks can be of any subject. Submission is by photograph and these should be accompanied by some information about the piece such as title, size and a little text about the artwork and why they made it.

Works of art must be submitted to the Royal Academy by Wednesday 30th March 2022 for judging in May. The online and on-site exhibitions will open on Tuesday 19th July.

As works of art need to be submitted through the school we ask that all entries and the information that is required to accompany the art is sent to [Laura Knight](#), the Headmaster's PA, by Monday 21st March at the latest.

Visit the Royal Academy website for [more information about the Summer Show](#) and to see [the 2021 online exhibition](#). For more information about submissions for artwork please contact [Mrs Hayter](#).
