## Even More Scholarships

We were really delighted to hear that **Fraser Gibbs** and **Ben Laws** have both been awarded academic scholarships to Salesian College. Many congratulations to them both. This brings our total number of scholarships for Year 8 and Year 6 children this year to 20. Well done to them all.

## Action Packed Penultimate Week of Term

The penultimate week of the summer term has certainly been action packed.

The week began with Year 1 visiting Marwell Zoo where, despite the very damp conditions, the children had a great time. Miller's Ark brought a range of animals to school for a visit and children from Nursery and Reception enjoyed meeting them, stroking them and finding out all about them.

Tuesday saw the departure of Year 6 and Year 8 for their residential trips while Year 7 enjoyed a day at Thorpe Park and Year 5 took on a range of problem solving and team building exercises which culminated in a noisy egg challenge. Both Year 5 and Year 7 left for their residential trips on Wednesday, Year 4 spent a day at Horseshoe Lake and Year 3 travelled to Wellington Country Park. This left Pre-Prep and Nursery free run of the school and the fields for their exciting Sports Days.

During the week Years 3 and 4 have also been busy filming the short plays and songs that they have been working on this term. The results will be shared with parents soon.

We look forward to having everyone back in school next week for the final week of the school year during which we will be celebrating some of the many successes and achievements from the year.

## Shirt Signing

In previous years, some leavers have asked their classmates to sign their shirt as a souvenir. This has caused problems, especially when parents expected them to use the shirt in September!

If your child does want a signed shirt, please give them a spare old one. They should not wear this one over their 'good' shirts for signing, because the ink goes through! This is especially important because we know that everyone will want to be looking their smartest for Speech Day.

## Summer Holiday Clubs and Extended Nursery Care

The Holiday Club and Extended Nursery Provision will be open during the Summer holidays as follows:

5th - 9th July

12th - 16th July

19th - 23rd July

26th - 30th July

2nd - 6th August

9th - 13th August

16th - 20th August

23rd - 27th August

The Extended Nursery Provision is for Nursery aged children and the Holiday Club is open to children from Reception upwards.

Bookings are now open and can be made for three days; Tuesday, Wednesday, Thursday or the full week only.

The Holiday Club and Extended Nursery Provision will be for Yateley Manor Children or children joining Yateley Manor in September only and will follow current government guidelines. [Please visit the website for more information and to book.](#)

## There Is Still Work To Do!

Please note that although there are some end of term events during the coming days the broad plan for Monday, Tuesday and Wednesday is to be close to normal timetable. Children should have the equipment that they usually need. Kit bags should be taken home after the children's final games lesson.

## Blazers Reminder

Children in Years 1 upwards must have their blazers in school on Friday for Speech Day.

## The Thrill of the Challenge

Robert Upton's latest blog can be found on the School website. The following is a taster:

On a few occasions this week I have observed children playing games that involve challenge. From the thrill of the chase in "What's the time, Mr Wolf?" to the "Capture the Flag" activity, children love to play games where there is an element of uncertainty, where there is a risk.

## Years 5 to 8 Residential Trip Week

The Prep buildings were quiet this week as the children in Years 5 to 8 set off on their end of year residential trips. Year 5 spent three days at PGL Liddington taking part in a range of exciting physical activities including zip wire, sensory course, climbing, challenge course and camp fire.

Year 6 travelled to The Bushcraft Company's Geddington for a four days of wild living, sleeping under canvas and cooking over open fires. The group built shelters, learnt fire lighting skills, first aid, made Bushcraft bracelets, learnt archery and survival skills.

The Welsh coastline was the planned venue for Year 7's Geography trip but COVID restrictions forced a last minute change of plan. We were very fortunate to be able to get a last minute booking for them at PGL Osmington Bay from where they were able

to study the coastal features of Durdle Door and Lulworth Cove as well as enjoy the adventurous activities such as Jacob's ladder and kayaking that PGL offer. As the trip was a day shorter than originally planned Year 7 also enjoyed a day at Thorpe Park.

Year 8 had a fantastic week at Cumulus' coastal camp. Staying in a woodland camp

the group enjoyed an action-packed programme of land and sea activities including bushcraft skills, a visit to a water park, coasteering, fishing and games. It was a fantastic trip for Year 8 and a great chance to spend time together before leaving for their new schools.

We look forward to seeing Years 5 to 8 back at school for the final week of term.

## Congratulations to ...

**Louis Raven** and **Max Clark** who were part of the Hartley Wintney U10 Falcons team which won their North East Hampshire divisional

final. The boys and their teammates won all their knockout rounds, quarter finals and semi finals to reach the final and beat The Black Panthers to secure the title. Congratulations and well done boys.

**Fraser Gibbs (6HT)** who has been selected for the Hampshire U11 Cricket Squad. Many congratulations **Fraser**, a great achievement.

**Anna Jacobs (5MJB)** who following on from her success in the "Spin, Spiral and Jump" Competition earlier this term was placed first in her category at the Basingstoke Planet Ice Artistic Skating Competition. Anna is now looking forward to competing at the Inter-Rinks in Milton Keynes in September. Well done and good luck for September **Anna**.

**Sam Graham (7GPB)** who has been accepted into the Chelsea Foundation.

## Years 3 and 4 Production

The children in Year 3 and 4 put on a wonderful production this week.

Songs were sung with enthusiasm by the Year 3 children and they looked fabulous in their coloured T shirts. The Year 4 children performed plays; 4PT 'Lightning Larry', 4ALT 'The boy who wanted the Heebie-Jeebies' and 4SS 'Master Maid – a tale of Norway'. They projected their voices and took on the characters of the plays, so well. It was a fabulous production and reflected all the hard work put in by the children. Well done to Year 3 and 4.

# Nursery Sports Morning

The Nursery children really enjoyed taking part in their Sports Morning on Wednesday. The morning started with some fiercely contested sprints and also featured themed races. These included an under and over race in which the children negotiated small hurdles and crawled under arches, a torch relay and a challenging pentathlon event (obstacle race). At the end the two year olds held their own mini event before everyone was rewarded with a sticker.

The smiles on the children's faces throughout the morning told us all how much fun they were having. Very well done to all the children for taking part so well.

# Pre-Prep Sports Day

Wednesday's Pre-Prep Sports Day was a truly uplifting event. Children from Reception to Year 2 swam, ran, threw, kicked and tugged their way through a range of excellent activities. Everyone had enormous fun and took part with real enthusiasm.

The children helped their house score points in each event and at the end of the day the winning house was announced as Stanley with Fyson second and School and Kingsley joint third.

Highlights of the day were the well supported sprint races, house shuttle runs, the water races, tug of war, and, of course, the ice lollies in the afternoon.

It was so lovely to see support that the children gave each other throughout the day and the excellent house team spirit and sportsmanship on display.

We are so sorry that we were not able to invite parents to share the event with the children but a short film, giving parents a taste of the day, can be found on our YouTube Channel and our Facebook page.
