## Children in Need

Thank you to everyone who dressed up and donated money to Children in Need last Friday. As a school we raised a total of more than £619.

## New School Appointments

Many congratulations to **Sarah-Jane Butler** and **Poppy Everest** who, after a rigorous selection process, have been appointed as Captains of School.

A huge well done to all the prefects who also applied for the position. The final decision was incredibly difficult because each of them have demonstrated excellent leadership and collaborative skills, they all spoke with eloquence in their interviews and each of them had great ideas of how they wanted to develop the role. They are all superb ambassadors for the school and we are incredibly lucky to have such wonderful children at Yateley Manor.

## Year 5 Victorian Day

Year 5 enjoyed a fantastic morning of Victorian activities on Thursday. Arriving dressed in costume were gentlemen in top hats, ladies frequenting the opera with parasols, lots of urchins with waistcoats and flatcaps, maids, servants and even a Victorian golfer. The children looked amazing! They were treated to a live screen performance from Chris Connaughton as Charles Dickens himself, who took everyone on a journey imagining how Dickens came up with the characters and plot for 'Nicholas Nickleby'. (continued on page 4)

## Choose Kindness

Robert Upton's latest blog can be found on the School website. The following is a taster:

Kindness can be defined as empathy, compassion and being friendly. Studies have shown that generous people perform better. Helping others broadens our learning and helps to form deeper relationships. Darwin recognised that helping others was a part of natural selection as "Tribes who were always ready to aid one another would be victorious over most other tribes."

## Individual Photographs

Following the individual photographs which were taken on Tuesday, children were given a sheet of paper to take home which gives the details required to view their photo and order copies online. Parents of separated families were both emailed this sheet

If you would like your photos to be delivered free of charge to school, please complete your order by Wednesday 25th November. Orders over £15 placed before that date will also receive a 10% discount (see the discount code on your sheet). We are sorry that this only allows one week for ordering in this way but it is to ensure that orders will arrive at school before we break up for Christmas.

Orders for photographs may be placed after 25th November but parents will need to pay postage on these orders.

## Get Set Global Challenge

The Get Set Global Challenge is an environmental initiative aimed at encouraging children to get involved in free, fun online learning challenges to help them to understand the climate crisis and how to protect our planet. It is supported by Sir David Attenborough to mark his new Netflix movie 'A Life on our Planet'.

Yateley Manor is a registered school and it would be great for as many pupils as possible to take part!

All you have to do is visit the [Get Set Global Challenge website](#) and register by clicking on 'Join the Global Challenge'. You can use the amazing interactive content to learn about sustainability and can compete against students from all over the world, to see who knows the most about protecting the planet. Prizes and badges can be earned between now and the 4th December when the initiative ends with a final quiz between schools.

Mrs Arris hopes that the children enjoy the Challenge and would love them to let her know how they get on.

## Christmas Present Appeal

At this time of year we usually support the Salvation Army by collecting shoe boxes filled with gifts to be distributed to disadvantaged children within the local community. This year, the Salvation Army are, unfortunately, not able to accept these boxes for distribution.

With so many families in need this year we would still like to offer some support so we are asking for donations of tins or tubs of chocolates. The Salvation Army will be giving vouchers to their families in need this Christmas and it would be lovely to attach these to a tin or tub of chocolates. If you are able to donate a tin or tub please bring them to School Reception by Friday 27th November. Hopefully we can bring a smile to a child's face this Christmas.

**Update:** A few parents have asked this week whether it is possible to contribute to the vouchers. The Salvation Army would be delighted with any donations. These can be made either through their [Just Giving page](#), as a cheque made payable to The Salvation Army Wokingham or by purchasing a voucher. The Salvation Army will be giving Boots, Sainsburys or Tesco Vouchers. Vouchers and cheques may be left in School Reception and we will make sure they are passed on.

Thank you to everyone who has already made donations. We are very grateful for everyone's support.

## Victorian Day continued

Separated into groups with suitably Dickensian names (Pecksniff, Pumblechook and Swivellers) the children participated in a carousel of activities. They made Victorian brown bread ice cream for the Lord of the Manor with Mrs Hayter and competed in the Victorian Olympics including jump rope, ball and cup, rolling hoops and quoits with Mr Davis. Finally, Mrs Brundle led a drama workshop where they explored social hierarchy through still images that they then brought to life, and developed a scene from 'Oliver Twist'.

The morning ended with a chance to show Chris some of the drama work live and the announcement of the winners of the Olympics who were Pumblechook. Thanks to everyone who made the morning a success.

More photos and a video of the day can be found on [our Facebook page](#).

## Mixed Knockout Football Tournaments

We had two fantastic mixed football knockout tournaments which all the girls and boys in Years 3 to 6 too part. The matches were really competitive and many went to exciting penalty shoot outs. Thank you to all the staff involved and to all the children for playing so well and for displaying good sportsmanship.
