Monday: Year 7/8 Lamda, Year 5 'The Squashed Tomato' Challenge, Cross Stitch/Embroidery

Panto Pandemonium

The children in Year 5 put on two incredible performances for families this week. Our theme in Assemblies this half term is Community (one of our six Core Values) and the children certainly demonstrated a sense of it on stage. They acted with so much confidence and sang with gusto. It was the perfect way to start the festive season. Congratulations to the children for some stunning performances. Superb performances!

Pause for Thought

Community is Everything

This week has seen the children in Year 5 completing their performances of *Panto Pandemonium* to large audiences. It has been wonderful to watch them pull together in the final stages of rehearsal and provide their audiences with humorous lines, catchy tunes and some impressive acting. It was a privilege to watch them all perform – I was so proud of each and every one of them. Their sense of community was palpable throughout.

Thank You

Many thanks to the **Sanderson** family for the donation of reading books to Pre Prep.

Reverse Advent Calendar

Traditionally, advent calendars are used to count down the days of Advent in the run up to Christmas. The reverse advent calendar turns this trend on its head. Instead of receiving a gift, those taking part in a reverse calendar **DONATE** an item each day. In school we will have 14 days of December and we are hoping that through your generosity we will be able to donate some good cheer to our local community. There will be a shopping trolley/ box for donations at each of our 3 entrance doors from Thursday 1st December and an Assembly about the calendar will happen on Tuesday 29th November, to ensure all the children understand the concept. Our calendar will result in a collection of 14 days of goods which will be dropped off at The Pantry, our local food bank, in time for Christmas. Let's get giving! The more people that join our Reverse Advent Calendar drive, the more we can make a difference.

The reverse advent calendar is a great way to start teaching young children about social responsibility and thinking about the festive season as a time of giving, not just receiving. [\[more...\]](#)

Happy Birthday

Many happy returns to the following children who have birthdays next week:

Jacob P (Year 1) - 6

Miles T (Year 6) - 11

Alma E (Year 2) - 7

Elizabeth P (Nursery 2) - 4

FYMS Corner

Prep Playground Equipment

The children are enjoying using the new play equipment. It is wonderful to see the direct impact of your support. Our next target is £10k for the trim trail (£3k so far!)

FYMS Winter Wonderland Update

Thank you your donations of chocolate for the tombola at our Winter Wonderland on Saturday 3rd December. It looks set to be a good one so be sure to get there early. Additional raffle ticket books may be collected from reception. If you have any surplus tickets at home, please return them as we will be selling tickets on the day.

For those children who have tickets for Santa's Lavvu please check your emails as important information has been sent this week. Tickets for Santa's Lavvu have now unfortunately sold out. If you can no longer attend, please let FYMS know as we have a waiting list and we could resell your ticket to someone else if possible. We have an incredible set of small businesses coming to the Christmas Market this year (see Facebook). There really is something for everyone. Come and have a browse and remember those important shopping bags!

If Christmas jumpers no longer fit, please consider donating them to FYMS. We had a selection of jumpers donated at the beginning of the year, which will be on sale for a nominal donation, which is all part of us trying to do our bit for the environment. All jumpers previously donated have been washed by FYMS and will be on sale at the fair. Please donate your washed jumpers to us via the school reception.

This year, our Winter Wonderland is significantly bigger than it ever has been before. To make the event a success we do need volunteers to help us run various activities. If you can spare some time Friday evening, Saturday morning, a 30 minute slot during the fair or time afterwards then please sign up online.

End of Term Christmas Parties

Tickets are on sale on our website for the end of term Christmas parties. Tickets cover the cost of the event and in the case of children in nursery and pre-prep, Santa's gift. Our prep discos cannot go ahead without volunteers so if you can spare 90 minutes to help run the evening then please sign up online. This year we will be serving pizza and squash as well as offering glitter tattoos to the children.

See you all on Saturday 3rd December!

Hannah Wilson (Chair)

Congratulations to...

Kayan S (Year 6) - Kayan's cricket team-Yateley Cricket Club, won the U11 Division 1 Indoor Cricket League and also the U11 Outdoor League 2022! This was at the awards ceremony last weekend. He was also selected for the District development squad to attend the U11 Youth Football Cup in Sweden next July.

Maggie S (Year 2) - Maggie won round 8 of the Wessex cyclocross league under 8 girls on a seriously technical and muddy course on Sunday. She worked really hard, was passed a few times but put down a fastest lap time on the last lap to take the win by 15 seconds.
