Year 5 to British Wildlife Centre

Year 5 were delighted to be the first year group to head off on an educational trip this term and they could not have had a better day out than their visit to the British Wildlife Centre.

To support their recent work on habitats and adaptations, the children studied animals which are native to the British Isles. Many of the species we saw are endangered and under threat of extinction. The keepers gave each group a guided tour around the centre focusing on mammals and birds as well as life in the hedgerow. Each child had a chance to ask and answer questions about the animals and they learnt a lot. The children were fascinated to find out how the colour of owls eyes give us clues as to whether they are nocturnal (black eye colour), diurnal (yellow eyes) or crepuscular (orange eyes).

Close up encounters with otters, hedgehogs, Scottish wild cats and owls made this trip memorable for all.

Believe in You

Robert Upton's latest blog can be found on the School website. The following is a taster:

Jay Blades, from the BBC One "Repair Shop" programme, was talking on the television last weekend about his battle with dyslexia. Faced with the challenge throughout his childhood he has never learnt to read or write. He was describing how this had, to some extent, impacted on his life and particularly noted the fact he had never read his daughter a bedtime story. Instead he would make the stories up as he turned the pages and looked at the pictures. Recently he has promised himself that he will learn to read and has even pledged to read his grown-up daughter a story.

The Year 5 trip briefing for the trip to PGL Liddington will take place next Monday evening, 24th May, and will start at 6.00pm (not earlier as previously advised) to allow parents time to get home. A Teams Meeting has been set up for all the Year 5 children. Parents should ask their child to accept the meeting invitation and ensure they are logged on via their child's Teams at 6.00pm on Tuesday 18th.

Half Term Holiday Club & Extended Nursery Provision.

The Holiday Club and Extended Nursery Provision will be open during the Summer half term holiday from Tuesday 1st June until Friday 4th June. Bookings can only be made for the full four day week.

The Extended Nursery Provision is for Nursery aged children and the Holiday Club is open to children from Reception upwards. Please note that in the current situation holiday care is only open to Yateley Manor children.

Booking for half term is currently open but will **close on Thursday 27th May**. We are still adhering to government coronavirus guidance and places are limited within the year group bubbles. Please visit the school [website for more details](#).

Summer Uniform after Half Term

After half term, all children should be wearing Yateley Manor summer uniform. Here are a few reminders:

- Summer uniform for girls is the regulation summer dress with white socks.
- Boys may wear grey shorts and grey short socks. If they would like to be in short sleeves then they will need to wear proper short sleeved shirts. Long sleeves rolled up are not acceptable, so children wearing long sleeves will have to keep them rolled down.
- Boys in Prep are also expected to wear their ties in school unless given specific permission by the class teacher to take them off; they are allowed to take them off when outside at break times.
- Blazers should always be worn when arriving at and when leaving school. Children will be given permission to remove their blazers in hot weather.
- Pupils should not wear sports socks when in uniform
- Hats should be worn for sport or play and a good spread of colourless sun cream should be applied before the children come to school, as the staff are unable to apply it. The school shop stocks a variety of hats.
- Please note that pupils are not allowed to wear the brightly coloured zinc sun cream favoured by cricketers.

Individual Music Lesson Notice

Parents are reminded that if their child no longer wishes to take individual music lessons at school (including children who are leaving Yateley Manor at the end of this academic year) they need to give six working weeks' notice to their peripatetic music teacher and copy Jennifer Hustler.

Prep Summer Concert

With COVID restrictions still in place for large groups, the Summer Concert, which was scheduled for Thursday 27th May, will be recorded and shared with parents.

Filming of the Year 5 and Year 6 children took place this week during their music lessons and the Wind Band was filmed during their usual session.

Our other ensembles will be filmed next Thursday, 27th May, during the time that was scheduled for concert rehearsals. Children are reminded to bring their instruments to school on Thursday.

We look forward to sharing the concert with parents in due course.

Year 7 Picnic Performance

We were delighted to hear earlier this week that the new guidelines allow us to have a small audience (maximum of 30) for our Year 7 Picnic Performance next Tuesday evening.

The children will be performing on the outdoor stage so we are able to invite one parent for each child into the school grounds for this performance.

The Year 7 children have been working hard on their pieces and are very excited with the prospect of being able to perform live for their parent.

We are keeping our fingers crossed that the weather is dry on the day. If it rains, and we have to move the performance inside, we will not be able to have an audience.

Wednesday's Fixtures

Four cricket teams played Crosfields on Wednesday. The 1st XI had a great game winning by three wickets. Yateley Manor bowled the opposition out for 82 with **James Harvey** taking 3 wickets and six others taking wickets too. We made quite hard going of the run chase losing 7 wickets but the partnership of 64 between **Sam Reader** and **Hope Horne** went a long way to securing victory with 3.1 overs to spare.

Our other three teams had a less successful afternoon with the 2nd XI losing by 6 wickets, the U10A by 40 runs and the U10B by 4 wickets off the last ball. Everyone enjoyed the afternoon and it was lovely to have a few spectators at our home matches again.

In the meantime, if you have any questions then please email FYMS@mail.com which is being actively monitored.

Barn Dance - Saturday 9th October

The FYMS Barn Dance has been rearranged from 2020 to Saturday 9th October 2021. Friday	Prep Sports Day - see below for more information

Prep Sports Day - Important Information

We are extremely disappointed not to be able to invite parents into school for the Prep Sports Day as we know that it is one of the highlights of the year for both children and parents.

We plan to run the day as close to normal as we possibly can while keeping the children within their year group bubbles. Children should arrive at school at normal school time but dressed in their sports kit of shorts/skort, house polo shirt, tracksuit (the top is important for the Tug of War which requires the children to wear long sleeves), white socks and trainers. They may bring their running spikes for athletics events but must have their normal trainers too. Children in Years 4, 5, 6, 7 and 8 will also need their swimming kit on the day. Children should have sun screen applied before coming to school and also bring a hat.

The school will provide a picnic lunch for each child which will be eaten within the year group bubbles.

Please note that as it is a busy, tiring day there will be no clubs for Prep children, no late (5.40pm) coaches and no early shuttle bus. All coaches will leave at 4.30pm and so will arrive at the bus stops approximately an hour and ten minutes earlier than usual.

Clubs will run as usual for Pre-Prep children.

Prep children will be dismissed at staggered times as follows:

Years 3 & 4	4.05pm	from the lower school door
Years 7 & 8	4.15pm	from the double black gates
Years 5 & 6	4.30pm	from Manor Court Door

We hope that, despite not being able to spend time as whole houses, the children will still have a wonderful day.

New County Cup Fixture

Following the success of the 1st XI on Tuesday in their match against West Hill Park School (see below), the second round match of the County Cup will take place next Monday, 24th May starting at 3.30pm at home.

More information can now be found on SOC's.

County Cup Cricket

U13 County Cricket Knock-out Cup

Won v West Hill Park School, Fareham by 8 wickets.

The U13s secured a good win in their first round cup match. In sunshine the team bowled West Hill Park out for 97 in the 19th over. **Guy Miller** and **Hope Horne** each took three wickets. The rain came, first as drizzle, but then became quite heavy. The team played on as it was a cup match and needed a conclusion.

Matthew Daines and **James Harvey** put on a great 66 run partnership and we eased to victory in only 13 overs. James finished with an excellent 51 not out, his first half century for the school. We now face Churchers College in the second round.
